

## INVITATION

Dear Madam/Sir,

We are pleased to invite you to a one day conference **“Housing For All” campaign and the role of Housing Associations from South to North Europe**, which will take place on 3 October, 2016, in Tirana, Albania.

This conference is organized by the Minister of Urban Development in cooperation with the **National Housing Agency of Albania** and **Housing Europe** – European Federation of Public, Cooperative and Social Housing.

On the World Habitat Day, the conference will get together policy makers and social, cooperative and public houses providers from South to North of Europe to support the process of housing policy development in countries without a strong public, cooperative or social housing sector.

In addition, the Conference will discuss the role of Housing Organizations vis-à-vis the “Housing For All” campaign, Sustainable Development Goals and Geneva UN Charter on Sustainable Housing.

Please confirm your participation by replying to this email, not later than 28 September 2016.

Sincerely,  
Eglantina Gjermeni  
Minister
